Members of the Haliburton Legion Pipes & Drums create an altar with their drums. The ceremony was part of the Drumhead Service held Sunday in Haliburton. For more photographs, please see page 5.

TVO plans meeting

Area residents will have an opportunity to get a closer look at Television Ontario programming and perhaps influence the future of the provincially run network.

TVOntario's Southcentral Regional Council is holding a meeting September 30 to discuss the provincial television service. The meeting will be an opportunity for area residents to hear about programming and services offered by TVO. A lobby may be formed if support is adequate for the proposed extended service.

Presently TVO's service is available to those with cable in this area. This means that only cable subscribers in Minden and Haliburton Village have access to TVO. The council hopes to change this limited television service.

If a transmitter were located in the area, all television sets could receive the signal.

"A lot of people are not aware of what is offered by TVO," said Rhonda Elstone, the area's representative on the council. "There is a tendency to think TVO programming is geared to in-school. This meeting is to make people aware of what they are missing."

Elstone feels this is a necessary addition to present stations. "There is no question. They certainly offer quite a lot of different programs in the arts and sciences. Children's programs are far above other stations," she said.

The meeting will be held at the Wig-a-mog Inn in the Senate meeting room at 8:30 p.m.

Reeve questions operation of arena snack bar

Questions concerning the financial operation of the refreshment stand at the Minden arena were raised at the September 22 meeting of Anson, Hindon and Minden Township council by Reeve Lloyd Walker.

The reeve told the meeting that financial statements, as required under the lease agreement for the facility, have not been submitted. The snack bar is operated by Councillor Ed Pergolas who was on holidays last week when the matter was raised.

Walker said when he questioned the arena manager Brian Sisson about the matter he was presented with a list of figures which Sisson said he had received from Pergolas. The reeve said the figures appeared to be from Pergolas's bank account, and after checking with legal, accounting and government officials, said the figures did not constitute a suitable financial statement.

Councillor Larry Cummins suggested the reeve should leave the matter until the next council meeting when Pergolas would be in attendance. "You can't condemn a man when he is not here to defend himself," Cummins added.

Walker continued to press the matter however, noting that the lease for the concession had expired in May and it had not been renewed since then. He said there had been

no financial statement for the past two years. "We should have full details," he commented.

According to details mentioned by the reeve, the concession operator pays a yearly rental of \$2600 plus 10% of any sales over a gross income figure of \$19,000.

Councillor Cummins told the meeting that Pergolas had indicated earlier in the year that he was not interested in continuing the concession rental, but no one else had been found to take over the snack bar service.

Deputy Reeve Doug Pritchard agreed with the insistence of the reeve that a

full financial statement was needed.

Councillor Pergolas, who returned from vacation Monday, told The Times that he had filed all the necessary documentation with the recreation committee, as required under the terms of the agreement. He said the question of whether he is operating within the agreement is a matter for the recreation committee, not the municipal council.

Those feelings were echoed by the committee's chairman Dean Elliott who said the matter should have been raised at a Recreation Committee meeting.

New ambulance building unlikely

Hopes of a new building to house the Minden Ambulance Serviced faded last Wednesday when the municipal council was informed of the cost of the project. Details of the costing were contained in a letter from the Ministry of Health read at the September 22 meeting of Anson, Hindon and Minden council.

The letter said it would be highly unlikely that funds would be made available to cover the cost of the new structure, even over a ten year basis.

The cost of the proposed structure, which

was to be located beside the present firehall, was estimated at \$55,000. As the letter noted, paying the amount back over a ten year period, would almost double the cost of the structure.

Reeve Lloyd Walker said there didn't appear to be any way the municipality could afford the cost of the building.

The municipality had been anticipating the use of the present area in the township building once the ambulance

Rick Boucher is welcomed by his team-mates after he hit a home run in the final game of the Tri-county playoffs. The Hustlers won the game and the series, defeating York Tavern 7-5. For more details see page 9.

Road work to start soon

Reconstruction of Prince Street in Minden should begin shortly.

Confirmation that the project is due to proceed was given at the September 22 meeting of Anson, Hindon and Minden township council.

The work has been high on the list of priorities of the council for some time.

On another road matter, the council has made a formal

request to Haliburton County Council to take the Bobcaygeon Road into its road network. Prior to making the request the council had to have a classification review carried out. That study was done by municipal consultants, Totten, Sims and Hubicki and forwarded to the county along with the request.

The resolution requests the county take over the road, "as soon as possible."

Grass skirts rustled Friday evening as the opening event in the Haliburton Harvest Festival was held at Minden Community Centre. A Caribbean theme was featured with crab races and traditional island food and drinks. Entertaining the crowd with their gyrations are Tammy Pritchard, Lisa Carr and Joanne Kerr.

Centre marks first year

It has been a year now since the Minden Library Cultural Centre officially opened its doors to the public. The year has seen a great deal of activity at the centre and has added much to the cultural life of the community. The following report on the first year of operation was prepared by Dr. Agnes Jamieson.

The first year of the Minden Cultural Complex has been a success. The library people appreciate the extent of their new facility. There have been 300 new library members added, of which 93 are summer residents. Circulation of books for the year exceeded 15,600.

The library have sponsored 2 Deckhands puppet, 1 magic clown, and 1 clown-music shows. For the first 6 months biweekly children's movies were shown in the Common Room, becoming weekly during July and August and reverting to biweekly in September. Adult movies were shown every two weeks in the first four months of the year and shall commence

again if enough adults are interested. Any interested seniors phone 286-2491 in library hours if you wish the movies. These are all free.

Eighteen classes from the Archie Stouffer school toured the library in November, 1981. This summer the County Librarian Board presented Mrs. Ada Lewis with a plaque to commemorate her long association with the Minden Library. The County staff also held two luncheon meetings in the Common Room.

Laura Cross was the summer page and did an excellent job and it is hoped she shall return next year as a summer helper.

Common Room

The Common room has been used for 12 Executive meetings of the Co-ordinating Committee of the Centre. The Haliburton Highlands Guild of Fine Arts held an executive meeting October 8, 1981 and viewed the contents of the Minden Cultural Complex. The executive meetings of the Agnes Jamieson Art Gallery are in

the Common Room. This month the Archie Stouffer School Home and School Association held a social get-acquainted evening on September 23 at which about 80 people were present.

The Women's Institute hold their monthly meeting at the Centre on the third Wednesday of every month except in the summer. Last fall the Horticultural Society used the Common Room for meeting. Because of the junior branch and the associated luncheon they found the space too small and reverted to the

Municipal building where 3 rooms are available to them.

October - November 1981 - Linda West, from Sir Sandford Fleming conducted 8 classes on physical fitness with about 18 - 20 members present per class. The Rug Hookers of the Highlands meet monthly for a 4 1/2 hour luncheon and work session. Their work is on display and is a beautiful exhibit.

Since the first of May, 1982, the weavers of the Haliburton Highlands Guild have been

• Killarney, Ontario boasts a population of 500 and an \$850,000.00 airport funded completely by the province.

• I talked to Killarney Reeve, Howard Beauvais last Wednesday.

• He credits the new airport to the efforts of:

- (1) A permanent resident, Maury East, who spear-headed the project.
- (2) A seasonal resident from Guelph with the technical knowledge and experience of airport design to back up Mr. East.
- (3) The unrelenting co-operation of council and the village business community.

It's A 3 Year Term
Leadership - Planning - Co-operation
must be a part of it.

Ambulance building

(from page one)

service was relocated. Plans were already being considered for converting part of the present garage for office space.

Reeve Walker said the township should be considering making an addition to the present building for municipal purposes since it was unlikely the space in the ambulance section would be available.

It was also suggested that

the municipality might be able to obtain higher rent payments from the Ministry of Health for the space now occupied. The rent at the moment is \$200 per month. A suggestion that the basement room could be renovated for a training room for the ambulance personnel was also considered.

The matter was left unresolved although it appears certain the ambulance will not be receiving a new building of its own in the near future.

editorial

The opening shot

The hunting season has opened on a number of fronts. Ducks are fleeing the sting of buckshot, deer will soon be stalked in the Highlands' forests and the first salvo in the November municipal election campaign was fired last week.

We refer to the pot-shots levelled at Councillor Ed. Pergolas by Anson, Hindon and Minden Reeve Lloyd Walker. It was an interesting display of political manoeuvring, taking advantage of the councillor's absence to avoid direct confrontation while getting his licks in.

If this opening salvo is any indication of what lies ahead, Anson, Hindon and Minden Township could be in for a heated and vitriolic election campaign.

-30-

We salute a newspaper veteran who has put her final edition "to bed." We refer to the institution of community publishing, Ma Murray of the Liloet News in British Columbia.

Never one to shy away from controversy, she became well-known across the country for her incisive commentaries that left no issue untouched. Ma Murray was, and we hope will continue to be, an inspiration to community journalists across the country. Canada is a richer country today because of her contributions over the years.

coming up

Thursday, September 30 - Minden District Trappers Council meeting at Minden Firehall, 7:30 p.m.

Monday, October 4 - Brownie and Guide registration, 7 - 8 p.m. at the Municipal building.

Tuesday, October 5 - Horticultural Society meets at 7:30 p.m. in the Municipal building. Junior society same time, downstairs.

Wednesday, October 6 - Archie Stouffer Home & School Association skate and hockey equipment sale at the school. Send articles to sell with your child. Sale takes place 3 - 4 p.m. and 7 - 8:30 p.m. Saturday, October 9 - St. Paul's ACW Bake Sale, 10 a.m., Main Street (in the old furniture store next to Cox's)

Polls show Liberal problems

- by Bill Scott, M.P. -

The latest poll taken and released showed a small increase in support for the governing Liberal Party.

It is interesting to note that if an election were held today the results would still be a majority Conservative

government. At a time when 64% of Canadians support Ottawa's "Six Per Cent Solution" only 31% support the Liberal Party. This may seem like an anomaly but it appears Canadians have finally realized what Pierre Elliott Trudeau's liberals have

been doing to us during the years of unqualified voter support.

For the better part of the last fourteen years, Mr. Trudeau's liberals have been in charge of spending our tax dollars. Here's what they have done in that period.

		April 1968	July 1982	Change
Unemployment	Total	351,000	1,431,000	1,062,000
	Rate	4.5%	11.8%	7.3%
Youth				
Unemployment	Rate	7.4%	20.9%	13.5%
Inflation	Rate	4.2%	10.8%	6.6%
Consumer Price				
Index		89.4	257.4	188%
Average House	Price	\$21,300	\$78,000	266%
Monthly Payment on new 25 year				
mortgage (10% down payment)		\$164	\$1,082	560%
First Class Postage		6c	30c	400%
Government Spending (\$ million)		\$12,309	75,450	512%
Deficit (\$ million)		492	10,490	2000.3%
Government Spending on				
Advertising (\$ million)		29.2	249.2	753%

I am sure you will agree this is a dismal record indeed. While the situation is not all controlled by Ottawa comparison with the United States show that they have done a much better job of

coping with recession that has our government.

For example, in Canada the Gross National Product has dropped for four consecutive quarters, a first since figures have been recorded quarterly,

and has now dropped 6.2% since the record quarter of 1981. In United States, the GNP rose by 0.3% in the second quarter of 1982 and has dropped by only 2.3% in the same period, a difference from Canada of 3.9%.

The United States GNP Price Index rose by 1.3% in the second quarter of 1982 and stood 6.8% above the level of last year while in Canada it rose by 1.5% and now stands at 11.1% above

last year. This shows you why it continues to cost us more to live north of the border. Our government's inaction shows that they do not mind perpetuating this inequity.

Clearly, the "Six Per Cent Solution" is not enough alone to pull us out of this recession. If other countries can combat the problem, it is time we replace our decision makers if they refuse to tackle the causes of the problems and not just the symptoms.

letters letters

Editor:

After reading the reports of the very negative vote by seventeen County Council members on the question of global nuclear disarmament, I feel I must convey my concern through the medium of your paper.

In view of all the information available from so many sources regarding the increasing build-up of nuclear weapons - bombs, all sorts of missiles, Cruise, Pershing, Mx, etc., which daily threaten to erupt into a nuclear war, I find it appalling that these Council members could vote against the motion calling for nuclear disarmament worldwide. It is indeed regrettable that these men in public office could cast such a vote. They must be either very uninformed or uncaring, since in essence a vote against disarmament is a vote for nuclear war.

The grade eight students of the Archie Stouffer School who made 47 posters for the June 29 Peace Meeting showed more understanding and awareness of the danger of nuclear war with all its horrors.

I would like to quote from a Memorandum addressed to NATO Commanders and

Staff Officers, Foreign Ministers and Defence Ministers of the Alliance which was presented to an international press conference at The Hague on November 25, 1981. It is signed by six retired Generals and one Admiral of seven European members of the Alliance: West Germany, Norway, Portugal, Greece, Netherlands, Italy and France. The opening paragraphs are as follows:

"Peace is in danger. This is the result of a dangerously escalated arms race at which the people in Europe and all over the world look with great and justified concern."

"We, as former senior officers of NATO Armed Forces, feel obliged to state the following, based on our responsibility as human beings and in our military competence..."

"A third world war cannot possibly be won or contained to a certain region. The vast extermination capability of modern weapon systems (nuclear) is a threat to the existence of all mankind. A conflict fought out with such means would see no winner but only losers."

In April this year the Board of Health for Toronto presented to the Toronto City Council a Report on the public health consequences of nuclear weapons and nuclear war. It is a very comprehensive report, and was adopted by Toronto City Council. It outlines the build-up of nuclear weapons, as described by Rear Admiral Eugene Carroll, U.S. N. (retired) presently Deputy Director, Centre for Defence Information, Washington, D.C....

"During the next decade the nuclear arsenal is expected to increase from 30,000 to 40,000 weapons, with the number capable of reaching the U.S.S.R. increasing from 12,000 to 20,000. Simultaneously, the Russian nuclear arsenal is expected to increase from 20,000 to 30,000 weapons, with the number capable of reaching the U.S.A. increasing from 7,000 to 14,000. Not only is the number of weapons increasing, but so is their accuracy."

The Report specifies the consequences of nuclear war, and the ineffectiveness of civil defence methods to protect communities. It argues that the only effective form of civil defence is to use the political process to bring about arms control, a reduction in nuclear weapons and eventually nuclear disarmament, and Municipalities can be active in educating their residents about the consequences of nuclear war and can thus put pressure on federal politicians to act to reduce and eventually eliminate the threat of such a disaster. Toronto is taking the lead in this respect. The Toronto Star of September 25 reports that the City is printing 450,000

(more on page 6)

Impressive service provides colourful contrast

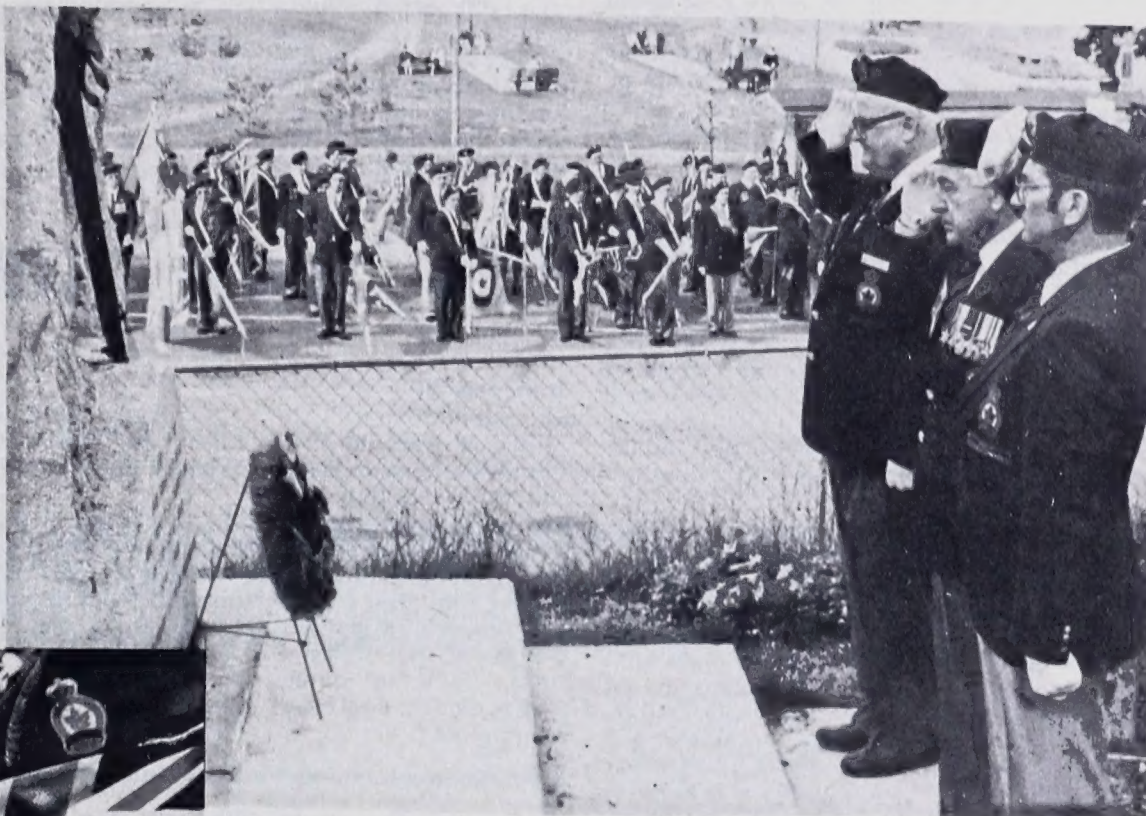

The brightly coloured leaves of the Highlands were rivalled briefly Sunday afternoon.

The competition came from the hundreds of Canadian, British, Armed Forces and Canadian Legion flags which were unfurled for the Drumhead service held at the Community Park in Haliburton Village.

Hundreds of members of the Royal Canadian Legion, District F, converged on the community for the special service. With their flags flowing smartly in the breeze, the contingents marched from the Branch 129 hall to the community park on the shores of Head Lake. The marchers were led by seven pipe and drum bands with Haliburton's own corps leading the way.

In a moving and impressive ceremony, the Legion members and their families gathered on the natural amphitheatre to watch as the drum altar was created by the Haliburton corps. Speeches were offered by a number of Legion dignitaries and local politicians and a service of worship, in honour of the Canadians who had lost their lives in wars, was held.

A wreath was also placed on the cenotaph in Haliburton. The visitors enjoyed a dance and dinner Saturday evening at the Legion hall and fellowship following the Sunday service. The photographs on this page show some of the activities during the Sunday parade.

Clockwise, from the right: marching into the park; flags in the breeze; pausing at the cenotaph; the setting on the shores of Head Lake.

from the chamber

by Bob Stinsen

At the Board of Directors meeting the Chamber held on September 1 a motion was passed that states "The Chamber supports the concept that the logical location for the Kanawa Museum is the Leslie Frost Centre, and that we encourage further studies in this direction."

The motion was made after considerable discussion and a request from the manager for direction from the Board as to what they would have him pursue on the issue. It has been firmly established that the museum cannot continue to function at its present location and under its present structure. Knowing that, a great number of submissions have come forward from both inside and outside the county, and it was felt of utmost importance that a submission from within our county be made that could compete with suggestions such as Trent University in Peterborough.

When Kirk Whipper began his collection in 1956 he had no idea it would reach the world class proportions that it has. He is now faced with the overwhelming financial burden of finding room to display and restore almost 700 craft, and the constant concern for their safety. The present location not only provides inadequate access by the public but to the fire protection resources as well. New quarters on the highway in a highly visible and heavily visited location such as the Leslie Frost Resources Centre makes sense. The fact that the centre is used to assist with education of students at all levels is also a major consideration.

When the concern first became evident, a group of concerned citizens made up of publisher Jack Brezina, merchant and former member of council Stuart Brandon, County Warden Ron Gambell, and owner of Camp Kandalore Jack MacGregor, got together and formed the "Haliburton County Citizens for the Kanawa Museum" committee. They have gathered letters of support and have submitted a well thought out and prepared brief to the government on their desire to keep the museum in the county. They have received a letter in support of their cause from Minister of Natural Resources Alan Pope and a commitment from Premier Davis to look into the situation in more depth. They have accomplished a great deal and those of us in the county that share their concern should be extremely grateful for their work.

The committee, however, has been very careful not to endorse any site for the museum. They consider their mandate only to try and keep in the county. Several individuals, organizations, and councils have suggested specific locations. The

Chamber has no argument with any of these but we are concerned that if we don't take a very serious look at the one location that could be competitive in the group being considered we may well lose this valuable asset to our region altogether.

Any of our readers who have not visited the museum should certainly do so in order to appreciate the magnitude of what we are dealing with. Failing this, if you still have a copy of the travel section of last week's Toronto Star there is an exciting description of the attraction there in the "Weekends Jaunts" column.

Half way through Harvest Festival

The first two events in our first annual Haliburton Highlands Festival are now history and we look forward with anticipation to Stanhope on Friday and Haliburton on Saturday. The Minden and Gooderham events last weekend were both excellent examples of what fine quality, entertaining evenings can be put on by community organizations with a little co-operation.

Those in Minden were treated to fine "Island" dancing, complete with grass skirts, by Tammy Pritchard, Lisa Carr and Joanne Kerr. The crab races were won by Fearless Freddie, Fast Frieda and Merry Atari and a big vote of thanks goes to Big Jer's Bait Shop for supplying the competitors.

In Gooderham the main attraction was the succulent food prepared by the ladies under the careful direction of Ann Franks. Ann and her husband lost their home and all of their belongings in a disastrous fire only a few weeks ago and her dedication in continuing to work on this project in spite of her own personal problems is certainly something to be admired. Those attending were treated to some fine music by Nancy Picard as well as the recorded music and all those participating were in appropriate costume.

Everyone is thanked and congratulated for a job well done, and if you missed it - don't miss the next two this weekend at Stanhope and Haliburton. Incidentally, this is the last Tuesday coming up for the Chamber Bus Tours this fall. Don't say we didn't tell you about it....

Beautify your neighbourhood.
Get out on the street.
Take a walk.

Counting for the birds

If you feed birds during the winter, the Ontario Bird Feeder Survey needs your help.

Last winter the feeder survey collected observations from 400 feeders all across the province and recorded species of birds and mammals taking food from feeding stations.

The Black-capped Chickadee visited over 94% of

Ontario feeders last winter, retaining its title as the most common bird. In 4 earlier winters, Blue Jay held this title, but they were unusually scarce this season. Common Redpolls, among the most appealing of our winter finches, reached near-record numbers. The larger yellow, black and white Evening Grosbeak, however, was it its

lowest levels since the survey began.

More volunteers are needed for this winter's survey, especially in the far northern, eastern and southwestern

The purpose of the Feeder Survey is to record the numbers and kinds of birds taking food at feeders and to monitor population size and movements from year to year.

parts of Ontario. Recording the numbers and kinds of birds at the feeder takes only an hour or so of a volunteer's time every two weeks from November to March. For information on how to take part, write to: Ontario Bird Feeder Survey, Long Point Bird Observatory, P.O. Box 160, Port Rowan, Ontario. N0E 1M0.

It's been busy at the Centre

(from page 2)

busy weaving on the 100" rented loom. It remains in the corner of the Common Room until the end of April 1983. They have already woven one pair of drapes, 1 tablecloth and 13 large bed spreads. One beautiful blue spread with the whig rose pattern has been donated to the Common Room. Raffle tickets are being sold on the \$400 hand-woven spread.

Bookings for the Common Room are made through Margot Ziorjen, 286-1216.

Museum

The Museum Committee meet monthly. They have had bake sales to raise money for the old bank, turned library, turned museum. Apart from the shingles on the sides in two small areas the outside of the building is complete and it is

expected to open as the Museum part of the Complex next summer. If you are interested in this project call Aileen Blears, 286-2351.

Art gallery

The Agnes Jamieson Art Gallery has produced 11 successful shows in the last year. It opened with 42 Andre Lapine paintings, then children's art, plus another 15 pictures by Canadian

painters, followed by the C.I.L. show, Sue Tabuchi showing, which also included 3 classes in sumi painting to Archie Stouffer School pupils. Walter Noice, a native of Minden and Agnes Jamieson, a 25 year resident, combined to display 52 paintings. Bruce Mills, well known as an architect and realist painter had 35 of his works hung in the gallery.

At the end of July to August 6 there was an Art Show and Sale. It was at this time that we discovered 21 painters, live in a 15 mile radius from Minden. They exhibited 52 pieces of art including two photographs by Jodi Campbell and 6 pieces of porcelain by Barbara Peel.

Many people were delighted at the "Minden, As It Was Then" show which showed relics of past years. Presently Dr. Good lent us his collection of Nori Peters Esquimo Art, plus a few pieces by the painter. She is very talented doing oils, sculpture, china painting and stained glass. At the same time the Common Room walls display the skillful and artistic work of the rug hookers of the Highland Guild.

An Experience '82 grant for a summer student, Jalna Stromberg, enabled us to keep the gallery open from 10 - 12 noon and from 1 - 5 p.m. from June 24 to August 27. The viewers are asked to sign a guest book to indicate the number of people using the gallery. If we apply for a grant it may be that we shall have to indicate the number of people viewing the exhibits. 10% to 20% fail to sign the book. We have a recorded 2588 signatures of which 461 are school children on specially conducted tours. This suggests that 3000 people have seen the exhibitions.

The Co-ordinating Committee of the Centre received a federal New Horizon's grant, which is used for Common Room furnishings, craft supplies, paving and the smoke detectors and burglar alarm system. This grant is for \$17,161.50 and is to make the complex, particularly the Common Room a meeting place for senior citizens.

The volunteer help of very many people have made the Minden Library and Cultural Centre a success. This is much appreciated by the executives and shall always be a part of the ongoing activities in the centre.

letters letters letters

(from page 4)

pamphlets describing the horrors of nuclear war. Municipal election candidates will be asked to hand the pamphlets out with their campaign literature. The question will be on the ballot on November 8.

I believe nuclear war can be prevented by the will of the people if it is informed and mobilized, and that, it seems to me, is the duty of elected representatives. I would suggest that the members of the Township Councils within Haliburton County secure copies of the Board of Health Report. It is available from Alderman Anne Johnston (who is Chairman of the Board), at Alderman's Office, City Hall, Toronto, M5H 2N2. Phone 416-367-7902.

Now about Mr. Walker. It is inconceivable that the Reeve of a Municipality could make such a crass remark as... "To Hell with them". To hell with whom, Mr. Walker? The members of the People for Peace Committee? the people of Haliburton? the people of Canada? Remember, Mr. Walker, should nuclear war occur, you, your children and grandchildren, will be numbered among the "THEM", as will all of us. Think about it.

Finally, I want to congratulate the three Members who voted in favour of the motion. It indicated they have a conviction and are prepared to stand by it. I am sure their stand will find favour in the minds of the people of Haliburton County. Thank you.

(Mrs.) Louise Watson,
R.R. 2, Minden

Editor:

People for Peace would like to congratulate Warden Ron Gambell for endeavouring to gain the support of County Council for world peace and disarmament.

Whilst they voted 17 to 4 against the motion, our committee is not discouraged. We feel a prime factor in the unfavourable response of some of the members, though not all, was a lack of education as to the current situation regarding mutual deterrence. Once the concept of winnable nuclear war becomes plausible proposition to one side or another, the amount and type of arsenal possessed by either side will offer no deterrence at all.

Both the U.S. and Russia are entering the most dangerous and sophisticated arena to date, where future nuclear weapons will inevitably enhance the concept of winnable nuclear war and make it a practical proposition to the superpowers. This is simply because of the complexity of the new weapons and their power.

We however, consider there would be no winners and that man would simply annihilate himself. Prevention of further sophistication of weapons will only come about if, at the very least, a nuclear freeze is put into effect.

Perhaps County Council was not aware of the over-kill factor either? Russia and the U.S. now have the capacity to annihilate the world 60 times over. Even the people who feel "safe" just as long as the U.S. weapons "match" the Soviets, must agree that any excess weaponry is a waste. After annihilating the enemy once

what are you going to do with your spare ability to annihilate another 59 times over?

Freeze on stockpiling of certain weapons is an obvious need. This would also release large amounts of money to assist the starving millions in the third world. If we don't at least limit the production of these weapons what do we do? Stockpile them ad infinitum until there is nothing in the world but weapons? Will the only thing that will stop this madness be annihilation?

When one considers that according to Dr. Norman Alcock, world famous peace proponent, the electro-magnetic pulse from one bomb the size of the Hiroshima bomb, exploded 100 miles up will knock out all communications including satellites, and power, rendering a nation vulnerable to say the least, one realises that deterrence exists only in the mind as an ideological concept and to make a practical application and strategy with weapons so unpredictable, powerful and complicated is an impossibility. It is their existence alone that is the satanic threat to world peace.

Warden Ron Gambell and some County Council members understood the complexity of the current situation by way of attending meetings and/or seminars. People for Peace therefore intends to attend County Council with a presentation of information, and maybe, at a later date, a follow-up request for support of a world-wide nuclear arms freeze rather than disarmament at this stage. Perhaps this request will be less demanding.

Sonya Holliday-Rhodes
for People for Peace,
Haliburton County.

It's fire prevention week

Once again your Fire Department would like to remind everyone that October 3 to 9 is Fire Prevention Week. This is a week designated by your governments for people to clean up and eliminate potential fire hazards, be they in the home, place of business, or even outside in out buildings, yards, etc.

Please take time to check for faulty electrical cords, outlets, appliances, overfusing and all electrical hazards. Check and make sure that no combustible liquids such as gasoline, coal oil, paint thinners, etc., are stored near any heating device or inside the home. Get rid of excess papers and oily, or paint-filled rags that may be stored inside as these can create spontaneous combustion resulting in fire.

If you heat with wood, make sure that the flue pipes and chimney are clean and in good condition. Automatic furnaces and space heaters should be cleaned and serviced annually by a qualified service man.

The terrible waste of lives and property caused by fire in Ontario last year could largely have been prevented. There were 25,081 fires last year, taking a total of 227 lives and destroying \$234,857,057 worth of property.

If we all work together, we are sure that we can lower these shocking figures. If at any time you require advice or assistance regarding fire prevention, please feel free to contact your Fire Department.

A message from:
W. M. Jackson,
Fire Chief,
Minden Fire Department.

Signs of the season

Anson, Hindon and Minden Township council has agreed to a name change for the Caribou Lodge Road. The request for the change was considered at the September meeting.

The request was made by the Old Allsaw Cottagers Association. They pointed out in their letter that the road, which connects with Highway 121 east of Minden in two locations, is signed at one end as the Old Allsaw Road, while at the other the sign indicates Caribou Lodge Road. They pointed out that the double name is confusing and that Caribou Lodge has ceased operation, making the name redundant.

The council concurred with the request and agreed to contact MTC to ask that the one sign be changed. It was also suggested that reference to the former name of the road be maintained initially to help eliminate confusion over the change.

Minden sign

The council was also informed by the Ministry of Transportation and Com-

munications that a large Minden sign would not be installed at the intersection of Highway 118 (formerly County Road One or the Vankoughnet Road) and the Bobcaygeon Road. The council had requested the installation in an effort to attract traffic to the community.

At the moment a finger board at the intersection indicates the Bobcaygeon Road leads to Minden.

The letter from the MTC said the road does not qualify for the larger sign. It pointed out that the route has a large number of curves on it and that this would make it difficult for the public to use safely, particularly for those who are unfamiliar with the road or who are towing trailers.

The MTC also pointed out that to reach Minden via Highways 118 and 35 takes only one minute more than using the Bobcaygeon Road.

The council was disappointed by the decision, but Deputy Reeve Doug Pritchard suggested, "We'll try again at a later date".

outdoors

by Ron Reid - Federation of Ontario Naturalists

Last March, Ontario Natural Resources Minister Alan Pope released a proposed blueprint for the completion of our provincial parks system. Mr. Pope's proposals were bold and far-reaching, including 245 candidate parks that would double the area of existing park system. Mr. Pope also announced that these candidates, and the policies that control uses within parks, would be reviewed as part of the Ministry's land use planning process over the summer.

Now that the review period

is coming to an end, the real decision-making begins. The Ministry is faced with a wide variety of opinions, all the way from forestry workers sent to open houses by their company to protest park proposals, to naturalists such as Bill Addison from Thunder Bay, who submitted a 200-page brief in support of parks in that area. A similar diversity of views is found within the Ministry bureaucracy, and the road to approval for individual new parks is not likely an easy one. Already, rumours from within the Ministry indicate

that some candidates have been dropped altogether, such as the Alneau wilderness candidate in Lake of the Woods, and that many of the other candidates have been drastically reduced in size.

By the time Pope's proposals return to the Minister's office for approval, he will be faced with recommendations from his staff to reduce them to a fraction of their original area. He will likely also hear recommendations to open up parks to logging and mining, despite widespread public opposition to these activities within parks.

How Mr. Pope responds may depend largely on his personal view of public attitudes towards parks. Mr. Pope has firmly established himself as an independent

thinker. Conservationists are hopeful that he is the "man of vision" with both the foresight and the courage to leave a permanent legacy of provincial parks. If so, he will have to keep a firm hand on his bureaucracy to carry his vision forward.

Province introduces restraints

- by John Eakins, M.P.P. -

A one-year restraint program has been introduced by the provincial government, which imposes 5 per cent wage controls on 500,000 public employees and regulates prices and fees set by provincial agencies. This program would extend expiring collective agreements by one year, and would limit the wage increase to 5 per cent, or roll back increases in the second year of existing contracts. It would also ban strikes by public and "para-public" workers for the duration.

Provincially regulated prices are to be reviewed by a Cabinet Committee on Administered Prices, which would have the power to reduce or delay them.

The Provincial Treasurer told the Legislature that the program is not an attack on the public sector, but is an attempt to avoid cutbacks and layoffs in this sector while lightening the burden of government on the economy.

In addition, an Inflation Restraint Board is to be established to administer the wage restraint and administered prices program and to monitor wage and price increases in the public sector.

Covered by the restraint program are provincial, municipal, agency, board, commission, university and school board workers; Brewers Retail prices for beer; hospital and nursing home workers, including physicians on salary at hospitals, ambulance service drivers, group home workers; Crown

Corporation employees; tuition fees; TTC workers, elected officials and judges; employees of charitable organizations funded by the province such as the Children's Aid Society.

Also to be controlled are hydro and natural gas rates; Blue Cross and Green Shield insurance premiums, GO Transit and inter-city bus fares; government licence fees, Ontario Place admission.

Not controlled by the restraint program are doctors who provide service-for-fee, workers earning less than \$15,000 a year in otherwise controlled jobs who would get slightly more than a 5% raise-between \$750 and \$1,000.

Also not covered by the program are OHIP premiums and most private insurance premiums, TTC fares, Bell Canada telephone rates, rent hike ceilings, public housing rents, and food marketing boards.

The Provincial Treasurer estimated the program will save the provincial government \$840 million and other government bodies \$350-560 million, based on the assumption that workers would have settled for 12% increases.

Both the public sector's right to strike and the binding arbitration process have been suspended, and if workers are unable to negotiate a deal within the limits, the government will impose a contract.

The Liberal Caucus voted with the Government on the

restraint program, but Liberal Leader David Peterson has called for a total economic recovery package, including job-creation measures. He has urged the government to put savings from the restraint program into job creation.

"We will be pushing hard for the second stage", he said. "We need an ambitious economic recovery program now. Otherwise, this is 5% program will become merely a gimmick to deflect the heat of economic mismanagement and profligate waste."

In a wide-ranging speech on the economy, Mr. Peterson outlined Liberal proposals for economic recovery, stressing that people expect "real and lasting solutions, not gimmicks."

Premier's jet

The Premier's controversial purchase of a \$10.6 million executive jet has been cancelled, and the government is acquiring instead two forest fire fighting water bombers from the same Montreal manufacturer.

Snow Removal Tenders Are Invited For Ontario Hydro (Minden) Service Centre (82/83 Season)

Tenders will be received for the removal and disposal of snow from the service yard and parking lots on an as-required basis at Ontario Hydro's Minden Area Service Centre located on Hwy. 35, Minden and Minden T.S. on Highway 121 at Allsaw.

The contractor is to supply the necessary rubber-tired equipment with operators (hourly rated).

Roads and parking areas are to be cleared by 7:00 A.M. of accumulations of three (3) inches or more of snow or slush.

Tenders are to be submitted by 4:00 p.m. on October 16, 1982 on company letterhead.

For further information and site inspection, contact: (286-2031).

Hustlers take Tri- county championship

It was a spectacular end to a baseball game and an exciting way to end the series and the

season. The play, a home run by Rick Hartwick of the Minden Rockcliffe Hustlers, gave the team the two run edge it needed to defeat York Tavern of Lindsay. The win also gave the Hustlers the

league championship, taking the series four games to two.

The game had gone into the ninth inning with the two teams tied 5-5. Rick Boucher, who had hit a home run

earlier in the game, grounded out early in the ninth. Greg

Newell walked and a sacrifice fly by Bob Johnson moved him around to second base.

Then Rick Hartwick slammed his over the fence, hit to bring

in the final two runs and seal the game for the Hustlers.

The Hustlers also received

hits from Jack Snell, who was also the winning pitcher, and

Dave Dollo.

Jeff Graham was the losing pitcher for Lindsay.

Members of the Rockcliffe Hustlers championship team include, from the left, front row, Dwight Sisson, Brian Shaw, Bob Johnson, Dave Hartwick, and Collin Newell; back row, manager Gene Newell, Dave Dollo, Barry Shaw, Jack

Snell, Rick Boucher, Greg Newell and coach Neil Burk. The team claimed the Tri-County Softball League championship Sunday evening when they defeated York Tavern of Lindsay. The game was played at the Minden diamond.

Huskies season opens Sunday

The Haliburton Huskies open the season this Sunday afternoon at the Haliburton Arena when they face Parry Sound. Game time is 2:30.

This will be the first outing for the Huskies who have been practising since early September. The team is minus a number of key players from last year's roster and team officials have been attempting to mold the 24 regulars who attend practises into a contending team.

The Huskies will be playing in a ten team loop in the Georgian Bay Junior C League. Other teams include: Midland, Essa, Staynor, Oro, Huntsville, Bracebridge, Gravenhurst, Penetang and Parry Sound.

At least two Huskies home games will be played in Minden this season, according to one team official. The Sunday, December 5 contest against Gravenhurst and the Sunday, January 9 game against Bracebridge will take place in the Minden arena.

The following is the Huskies schedule for the 1982-83 season.

Sunday, October 3: Parry Sound at Haliburton, 2:30 p.m.
 Friday, October 8: Haliburton at Oro, 8:30 p.m.
 Saturday, October 9: Essa at Haliburton, 8:00 p.m.
 Friday, October 15: Haliburton at Parry Sound, 9:00 p.m.
 Sunday, October 17: Huntsville at Haliburton, 2:30 p.m.
 Friday, October 22: Haliburton at Bracebridge, 8:30 p.m.
 Saturday, October 23: Gravenhurst at Haliburton, 8:00 p.m.
 Friday, October 29: Haliburton at Huntsville, 8:30 p.m.
 Saturday, October 30: Parry Sound at Haliburton, 8:00 p.m.
 Saturday, November 6: Penetang at Haliburton, 8:00 p.m.
 Sunday, November 7: Haliburton at Midland, 7:30 p.m.
 Friday, November 12: Haliburton at Parry Sound, 9:00 p.m.
 Sunday, November 14: Haliburton at Gravenhurst, 8:00 p.m.
 Sunday, November 21: Huntsville at Haliburton, 2:30 p.m.
 Friday, November 26: Haliburton at Huntsville, 8:30 p.m.
 Saturday, November 27: Bracebridge at Haliburton, 8:00 p.m.
 Friday, December 3: Haliburton at Bracebridge, 8:30 p.m.
 Sunday, December 5: Gravenhurst at Haliburton, 2:30 p.m.
 Saturday, December 11: Huntsville at Haliburton, 8:00 p.m.
 Sunday, December 12: Haliburton at Essa, 8:00 p.m.
 Friday, December 17: Haliburton at Penetang, 8:30 p.m.
 Saturday, December 18: Midland at Haliburton, 8:00 p.m.
 Sunday, December 19: Bracebridge at Haliburton, 2:30 p.m.
 Sunday, December 26: Haliburton at Huntsville, 7:30 p.m.
 Sunday, January 2: Haliburton at Bracebridge, 7:30 p.m.
 Friday, January 7: Haliburton at Gravenhurst, 8:30 p.m.
 Saturday, January 8: All Star Game at Bracebridge, 7:30 p.m.
 Sunday, January 9: Bracebridge at Haliburton, 2:30 p.m.
 Friday, January 14: Haliburton at Gravenhurst, 8:30 p.m.
 Saturday, January 15: Stayner at Haliburton, 8:00 p.m.
 Saturday, January 22: Gravenhurst at Haliburton, 8:30 p.m.
 Monday, January 24: Haliburton at Stayner, 8:30 p.m.
 Thursday, January 27: Haliburton at Parry Sound, 8:00 p.m.
 Saturday, January 29: Oro at Haliburton, 8:00 p.m.

Some tips on safe hunting

Each year, police and volunteers spend hundreds of man-hours searching for lost hunters, and some of the searches end in tragedy.

In the last three months of 1981, 3,478 man-hours were spent on 40 searches in the Northern OPP districts; in the Sault Ste. Marie district, 12 searches accounted for an average of 200 hours each.

Ontario Provincial Police Commissioner Jim Erskine says "We are extremely concerned for the safety of hunters who are going north this fall. All hunters would be wise to make plans for safety and survival before they go into the bush."

The OPP cautions even the most experienced woodsmen to keep a healthy respect for the remoteness of the province's hunting areas and realize the problems that can crop up in isolated bush areas.

The final thing to do before you take that trip is to make sure someone knows exactly where you are going. It's like filing a flight plan — tell a partner where you will be — and stay there.

There is a tremendous difference between a deer run hundreds of miles from the nearest town and the city streets most hunters see every day of their lives.

"Always keep a topographical map in your pocket" Commissioner Erskine says. "A map and a compass, and the knowledge about how to use them, should be in every hunter's pocket."

A survival kit is another necessity. When you are in the bush, every member of a

hunting party should have a container in his pocket with some items that will help him to survive. Most important is a mirror, but the kit should also have fish hooks and line, matches, some light high-energy foods such as solid chocolate bars and foil for cooking.

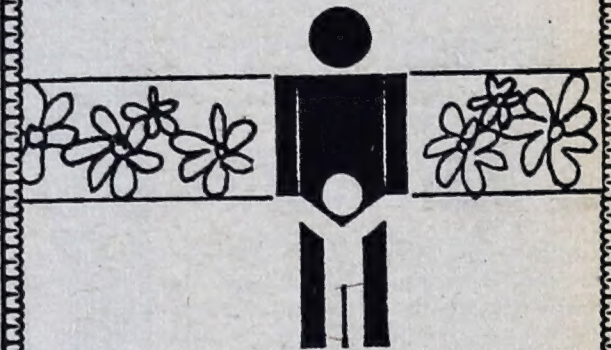

Panic is the worst problem. A good hunter is one who has the self-control to stop and think his way out of a problem. You often need that moment of quiet to sit down and work out the best plan for survival.

Another point to remember is that three shots fired in the air, or three blasts of a whistle, mean a hunter needs help; they're universal emergency signals in the bush.

Once you lose your bearings, the most beautiful parts of Ontario's northland become a hostile environment, and without preparation and forethought the hunter can easily lose the battle against difficult terrain, freezing weather and panic.

Redmen defeated by Brock

Despite a strong showing from both junior and senior Haliburton Highlands Secondary School football teams, they were unable to overcome the power of the Brock offensive squads Friday in Haliburton. The seniors lost by a close 11-9 score while the juniors were defeated 20-6.

Coach Gary Brohman said he was pleased with the efforts of the senior team, noting that they played better Friday than they did a week earlier against Lindsay. He noted however, that the team is being plagued by injuries this season and the lack of some key players is having an impact on the team's consistency.

In particular Kevin Shapiera and Rich Choy were hurt several times during the Friday contest. Choy was sidelined after the first half with a bruised shoulder. He should be back in action this week.

Shapiera figured in the Redmen's first and only touchdown of the game, scoring on an eleven yard run in the first quarter. A single point conversion by Kelly Mitchell gave the team a 7-0 edge early in the game.

In the second quarter, Redmen kicker Mitchell missed a field goal and the team had to be content with an additional single point. However, before the half ended Brock scored a safety touch and a single point to get them on the scoreboard. The half ended 8-3.

The third quarter proved to be a disappointment for the Redmen. Picked on the Bulldog's five yard line the Redmen made two valiant efforts to cross the goal line, but were held in check by the

defense team. In one of the more spectacular plays of the game, a Brock player grabbed the football and ran for 50 yards before finally being brought down by Kevin Warburton.

In the final stanza, the Redmen were dogged by miscues that left the opposition open to score. On one such opportunity, the Brock quarterback connected on a 35 yard pass for a touchdown. The two point conversion gave the visitors an 11-8 edge.

The minute flag was in the air when the Redmen made a final attempt at a field goal, but the ball missed the uprights and the team had to be content with the single point and the final 11-9 score.

Soccer teams split games

The Haliburton Highlands Redmen soccer teams split a pair of games last week in Lindsay.

The senior team defeated their counterparts from I.E. Weldon Secondary School by a 1-0 margin. Al Cortez scored the only goal for the Redmen.

The junior team was defeated 0-1 by the Weldon juniors.

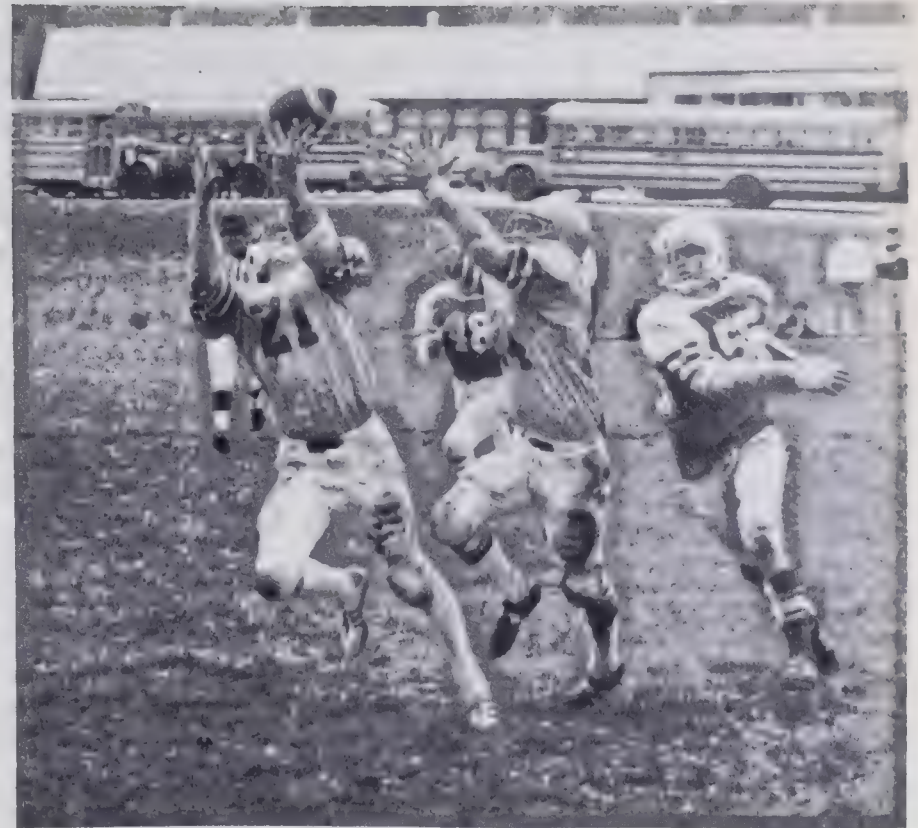

The teams play today (September 29) in Lindsay when they meet LCVI.

Junior contest

The junior Redmen faced a much larger team from Brock in the second game of the afternoon. In spite of the size difference, coach Brohman was still pleased with the team's effort, noting that their record now stands at 1-1.

The most spectacular play of the game came in the second quarter when the Brock team was kicking off to Haliburton following a touchdown. The ball took a number of strange bounces before Mike Blake brought it under control on his own goal line. Charging up field with excellent blocking and protection from his teammates, Blake ran the ball 110 yards for a touchdown. It was the only score for the Redmen and was not converted.

The two teams travel to Fenelon Falls Friday for two games there.

A member of the Brock Bulldogs stretches his fingers to get a grip on the ball during a game Friday afternoon at HHSS. The Brock team went on to defeat both the junior and senior Redmen teams.

book nook

The following is a list of books now available for your enjoyment at the Minden Library.

Juvenile Fiction

Title: Comic Adventures of Old Mother Hubbard. Author: S.C. Martin.

This new version of an old classic is in a theatrical setting with other familiar Nursery Characters included on the side-lines. Different and colourful.

Juvenile Non-Fiction

Title: Witches. Author: Chris Rawson.

Contents are varied but all dealing with witches, even about a witch who lost her broomstick. The illustrations are small, colourful, and the text is in rhyme. Good for younger readers.

Adult Fiction

Title: Morning Noon and Night. Author: James Gould Cozzens.

Morning Noon and Night has for narrator Henry Worthington, founder and head of an eminently successful management consultant firm. Come to be sixty-odd,

Autumn At The Cottage

The hummingbirds have left,
Our feeder stand forlorn,
No more our nectar will they sip
In evenings and at morn.

Along the river's edge,
Blue heron stalks his prey
To catch a minnow or a frog,
Then too, be on his way.

Our "Chippy" still comes round,
He's always wanting more
A winter's catch of nuts and seeds,
He must have now in store.

The leaves begin to change
Their glories to put on,
As if to say please look at me,
Before I too am gone.

So this is autumn here,
In Haliburton Highlands,
Where colour just abounds,
Round lakes, on trees and islands.

It warns us that it's time,
To also think of leaving,
For the sunny days of autumn,
Can also be deceiving.

So we a little sadly,
Must ready to head home,
To spend a little time,
Before again to roam.

Then, away once more we go,
South to that warmer clime,
Where once again our feathered friends,
May call another time.

A. Walter Cooke
Old Mill Rd., Hall's Lake,
R.R. 2, Minden, Ont.

and moved to wonder what if any meaning his life may have, he undertakes a review of it.

Though he lacks confidence in his capacity to accomplish his task, he can turn a matured mind to the search for meaning. In temper skeptical and illusionless, it is a mind well filled by wide experience and made penetrative and exact by the exercise of his life work. Recounting with detachment what he has observed of his fellow men and their behaviour, and what he can remember of himself at this or that stage of his career, he summons up, ranging freely and at will over time past a host of human beings, many sorts and conditions of men — as they are presented he interweaves a running commentary objective and revealing, on time, present, on the wondering old Henry of today. The reader by counterpoint of progressive disclosure, finds himself learning all that a real understanding of Henry requires — the kind of people he comes from, and so what kind of world he grew up in; the friends and associates affecting him affected by him; his two marriages; his daughter's failing ventures into matrimony; and what errors and mischances underlie his life.

We perceive in the end, that this great novelist has presented us with nothing less

Did You Know?

Question: "I would like to take a First Aid Course. Where do I register?"

Answer: For the Red Cross First Aid course, call Wayne Wood in Haliburton, tel. 457-1740. 16 registrations are needed before a class can be held. If interested in the St. John Ambulance First Aid course, register with Lloyd Johnson in Minden, tel. 286-1573.

It was announced at the Haliburton County Information Centre information session on May 28, 1982 at the PineStone Inn, that three training sessions will be given to those interested in volunteering with the Information centre.

These sessions will be conducted on October 1, 8 and 22, from 10 a.m. to 12 noon. The first two at the Drag River Municipal Building, the last in the Dysart et al council chambers. Guest speaker at the last training session will be Faye Mansfield, Information Officer, Ministry of Consumer & Corporate Affairs, Canada.

than the totality of a man's life. Morning Noon and Night is an artistic triumph: a novel as memoir whose like has not been seen before.

Adult Non-Fiction

Title: The Assassination of Pierre LaPorte. Author: Pierre Vellieres.

This book raises questions as to the real reason for the October crises of 1970, not only the death of Pierre LaPorte and the kidnapping of James Cross, but how far the government was involved.

Film buffs are also reminded that the children's movie series continues at the Library every second Friday evening from 7:15 to 8:15. The movies are free and everyone is welcome. Contact the library for more information.

Minden W.I. meeting

The September 15 meeting of Minden Women's Institute was in the Common Room of the Library Cultural Centre with Mrs. L. Cox (president) reading a verse "Friends" and welcoming everyone. Fourteen members and one guest answered the Roll Call and after the usual reports, Mrs. W. Moore told of sending cards to 52 people since the June meeting.

Collections for Card Fund and Pennies for Friendship were taken. Mrs. L. Cox is to be our delegate to the Area Convention. The Secretary is

to write to the Home Economist and Area Secretary so that letters come to our President.

Mrs. C. Wilson and Mrs. D. Berry are to attend the Senior Leaders Workshop in Lindsay, November 18 and 19. Articles for Christmas Baskets, such as groceries, mitts, touques, or toys are to be turned in at the November meeting. A \$50 donation is to go to the Museum Committee.

Mrs. C. Wilson gave a paper on Education followed by a quiz with Mrs. J. Moore

and Mrs. R. Hughes having the most answers. Mrs. Wilson suggested that we make an effort to learn to use the metric system in 1983. Mrs. L. Cox thanked this convenor for an excellent paper and all showed our appreciation.

The meeting closed with God Save the Queen, W. I. Grace and all enjoyed the snack served by the committee. Next meeting will be October 20 at 2 p.m. at the same location.

Jeanne Sears,
P.R.O.

H O M E O W N E R S

HOLD YOUR BREATH AND READ THIS.

If your chimney is defective, your house may be feeling just like you do right now. Because heating systems take in oxygen and release carbon dioxide. Just like you do.

But when a furnace can't get enough oxygen, or carbon dioxide can't escape, your house can't "breathe." Carbon monoxide can be created and that is a dangerous situation for you and your family.

A clean and clear chimney is necessary to vent your furnace properly.

Here are some warning signs of chimney deterioration:

- ☐ loose mortar and bricks
- ☐ white powder or water stains on chimney above roof
- ☐ water stains at the chimney's clean-out door.

YOU MAY NEED A CHIMNEY LINER TO PREVENT EROSION OF THE MASONRY.

For your safety, and for your peace of mind, have your heating system and chimney inspected and cleaned annually by a qualified contractor. You and your house will both breathe a sigh of relief.

Ministry of Consumer and Commercial Relations

 Ontario

Robert Elgie M.D., Minister
William Davis, Premier

senior league

by Bert Harrison

Our son came and took us for a drive this lovely afternoon to see the colour at its best - just a little soon. It's nice to get out in the country, and get some country air - no use sitting around and grumbling and say it just isn't fair.

Rev. Burgess spoke again this Sunday, at Eagle Lake, Haliburton, then at Hyland Crest, always helping where he can, giving of his best. The Thompson's are so faithful to come and do their part. We thank them all for coming, from the bottom of our hearts.

I asked Bev Connelly to cut my nails. She's so energetic. But the way she handled my poor toes, was really apathetic. This is hurting really bad, I kept insisting. When she was finished I counted my toes, and found that two were missing.

Doris took some in the bus to see the leaves this Monday afternoon. We didn't go with the rest. We think it will be another week before they are at their best.

Tuesday morning a nice service in the chapel, this lovely September day. Rev. Elliott held the service, while Norma came to play. We thank them both for coming to fill in until our new United Church minister can take over again.

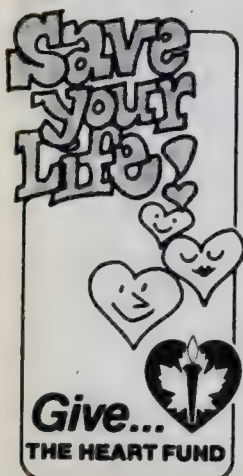

Robert Krick is in hospital for surgery we guess. We hope it will be a real success, and with better help he sure will be blessed.

Monday night Linda stayed to show us movies, one more time. We thank the girls for

Kennel call

The following animal is available for adoption from the Minden Animal Clinic. If you would like more details, please contact Dr. P.J. Bennett at 286-2919.

A male German Shepherd, black and beige in colour. Found in the Hunter Creek Road area. The dog will be held for two days for the owner to claim and then will be available for adoption.

making these arrangements to get these nice movies here for our entertainment.

The Watson - Smith trio came again Tuesday night. They played lovely music, and did the job just right.

We thank them for coming, and look forward to when they will be back to play for us again.

Mary Oliver has a birthday September twenty-six. I won't tell you how old she'll be - I might get in a fix. Congratulations, Mary, and very best wishes. We'll be getting birthday cake, before they do the dishes.

Joan Kernohan is on holidays all this week, leaving Helen Lee to keep things nice and sleek. Congratulations to Peter and Rachael Fearrey on the arrival of a lovely little baby girl.

Thursday the A.C.W. Ladies from Kinmount brought a real nice lunch, and served it so nicely. They were a jolly bunch. We played them some music, and those who were able, got up and really stepped it off, and danced around the table.

Thursday night is Bingo night here at Hyland Crest, put on by the Kinsman Club. To win as many bingos as they can, our residents do their best.

Friday Doris took some in the bus to go sailing on Lake Muskoka (not Lake Fairy). The rest of us stayed at home, and did make merry. Linda stayed, bless her heart, to put us through our paces. Ted Carr got up to kick the balls, and busted his shoe laces. Then Friday afternoon Grace and Norma came to play and sing some tunes. Grace read two humorous poems, and sang, "Hold Thou My Hand" and "At The End Of A Perfect Day." We thanked them both for coming, before they went away.

Then those who went on the boat trip say they had a lovely time. They all returned sober, between eight o'clock and nine.

Service elects new executive

More than fifty people attended the second annual general meeting of the Haliburton County Home Support Services on Friday, September 17, at the PineStone Inn. The meeting was preceded by the PineStone's usual excellent lunch. As a bonus, Jack Bassett presented the president and her successors with a gavel, made by himself from local materials. Doris McCann accepted the gift with gratitude.

As guest speaker before more official business, Barbara Pierce gave the audience a summary of a presentation that had been made to the Ministry of Health for an adult community mental health service for Haliburton County.

Kim Stamp, the new secretary and bookkeeper of

the Support Services, and Betty Mills, recently-appointed co-ordinator of home health services with the Haliburton Kawartha Pine Ridge District Health Unit, were introduced to the meeting. Betty said that she is interested in co-operating with the Support Services, to find out what we are offering and how best to integrate services.

Doris McCann ran through the annual report for 1981 - 82, year ending April 1, and added a few more up-to-date details. She mentioned that Mary Robertson is now acting as convenor of transportation for the services.

Leo Debrzensky spoke briefly on the Information and Referral Centre, which is now fully operational and working out of the Support Services Drag River offices.

It was announced that a workshop on "Total Health" will be held at the PineStone Inn on Friday, October 29. More details will be announced later.

A suggested slate of officers and directors for 1982-83 was presented by Jane Graham on behalf of her colleagues on the nominating committee, Mary Hadley and Gladys Reid. No nominations being offered from the floor, the list stands as follows: Executive: Chairman, Ivan Hunter; 1st Vice-Chairman, Alberta Maitland; 2nd Vice-Chairman, Billie Shuyler; Secretary, Dorothy Robertson; Treasurer, Aileen Robertson. Directorate: Blairhampton, Billie Shuyler; Cardiff, Jack Gedney; Carnarvon, Vi Smith; Donald, Marjory Rennick; Dorset, Marg Walkden; Eagle Lake, Muriel Allport; Gelert,

Jean Jennings; Gooderham, Ileen Hunter; Haliburton, Connie Love and Tom Stinson; Haliburton Lake, Lil Haight; Hall's Lake, Dean Hodgson; Harcourt, Nancy O'Neil; Highland Grove, Gilbert Rowley; Ingoldsby, Marvis Burk; Irondale, Violet Cooke; Kennis Lake, Jim Wilkinson; Lochlin, Bessie Burk; Lutterworth, Isobel Harrison; Maple Lake, Everett Harding; Minden, Gloria Lemieux and Georgina Deeks; Tory Hill, Maurine Finlay; West Guilford, Ev Stata; Wilberforce, Victoria Agnew.

Ivan paid tribute to Doris McCann for the wonderful job she has done during the Support Services' initial years, and expressed the gratitude of all of us to her.

I am very sorry to report that Helen Johnson is currently confined to Peterborough Civic Hospital. We wish her a speedy recovery.

Chrystal Bragg (nee Austen) was visiting her family last week. She returned to Red Deer, Alberta, Saturday.

The Hyland Crest Senior Citizen's Home will be holding a card party sponsored by the Minden Kinette Club on October 1 at 8 p.m. The proceeds go to Community Service Work. Refreshments will be served and prizes will be awarded. Bridge, euchre and cribbage will be played and everyone is welcome. The price is \$2.00 per person.

Edith Welch had as her houseguests this past week, Mrs. Mildred Gillespie from Sun City, Arizona and Gladys Hall from Delaware.

I am sorry to report that Mr. Leo Poirier passed away last week. Our deepest sympathy to his family and friends.

Mr. Robert Hughes is recovering nicely at home after his recent surgery in St. Joseph's Hospital in Peterborough.

I am also happy to report that Glen Richardson of Peterborough is home from the hospital and progressing nicely.

The St. Paul's Thrift Shop will be open on October 1, 15 and 29 and November 12 and 26 and December 10.

About 83 people from Haliburton, Minden and vicinity took the boat trip on the Steamship Segwun, sponsored by Home Comfort Services on Lake of Bays last Friday. They left from Gravenhurst and had a very pleasant voyage with a commentary on places they passed. Refreshments were available along the way and the group arrived home at 7:45 p.m. Everyone enjoyed the trip.

Fred and Neil Hewitt visited their mother Joyce this past weekend.

Kathryn Daniel fell and broke her hip and is presently confined to St. Joseph's Hospital in Peterborough. We wish her a speedy recovery.

Jack and Edna Austin are holidaying in Fort Erie with Mr. and Mrs. Kelly Ball.

The Local Yokel's Golf Tournament at Blairhampton

last Wednesday was a great success. Ray Seabrook of Peterborough was low gross.

Cecil and Louella Yearwood are visiting with the Paul Yearwoods in Sudbury.

Lou and Gail Baggett from Naples, Florida, visited with Nora Hogg at her cottage on Kashagawigamog this past week.

Mrs. Homestead, daughter Wendy, sister and brother-in-law, Alfreda and Willie Wolf from Bavaria, and friend Joyce, returned from a very pleasant holiday to Tobermory, Sault Ste. Marie and a train trip through the Agawa Canyons in Algoma.

Mr. and Mrs. Lyman Cox visited Mr. and Mrs. Basil Cox in Bancroft this past weekend.

Mrs. Mary Windover is visiting her daughters in Lindsay.

I am sorry to report that Faye Holden is at present in Red Cross Hospital, Minden. We wish her a speedy recovery.

The current show at the Agnes Jamieson Gallery in Minden, consisting of paintings owned by Dr. Harry Good done by Nori Peter, and work done by the Rug Hookers Guild, will conclude Wednesday, and the next exhibit will be paintings done by myself, which I hope will be of interest to the community. This exhibit begins October 6. The Gallery is celebrating its first anniversary and to date, over 3500 people have viewed the showings.

Joanne and Larry Hughes are the proud parents of a baby boy, born last Saturday morning at the Red Cross Hospital in Haliburton. The baby weighed 7 lbs., 13 oz. at birth and will be named Ryan David. He will be a brother to Andrea. The Grandparents are Mr. and Mrs. Gilbert Parcell of Scarborough and Mr. and Mrs. Keith Hughes of Minden. Congratulations to the proud parents and grandparents.

Mr. and Mrs. Philip Robinson had as their guests Mrs. Paul Cockburn and Mr. Dean McQuade from Woodville this past week.

I am sorry to report that Mrs. Winnifred Bedlington is back in Trafalgar Hospital in Oakville. We hope she will soon be home once more.

Brigadier and Mrs. Ken Stevens from England, are visiting Major and Mrs. Glynne Lewis for a few days.

Mr. and Mrs. Willis Harrison, of West Guilford, attended the wedding of her niece in Peterborough this past weekend.

Mr. and Mrs. Lorne Harrison, of Maple Lake went on a long motor trip to points north by way of Sault Ste. Marie, Timmons, Kirkland Lake and came home by way of North Bay. They report the colouring of the leaves and scenery was beautiful.

Mrs. Pearl Lee of Maple Lake had her son Gary, his wife and son from Toronto over the weekend.

I am happy to report that Mr. Murray Austin of Haliburton is coming along nicely after his recent illness. We all wish him a speedy recovery.

Mr. and Mrs. Jim Harrison of Maple Lake, visited with his sister Mary in Toronto over the weekend.

Mr. and Mrs. Keith McIntosh of Oshawa were in Minden this weekend and visited his parents and her sister and brother-in-law and parents of Maple Lake.

Mary Currah and Charlie Welch spent a week with her brother Russ and Lil Lindsay attending the wedding of her nephew Gary Sleeman of Whitby and Phyllis Finch of Alberta at St. Mark's Church Whitby. The reception was held at the Whitby Curling Club and at the dance afterwards, they also celebrated Mary's birthday.

Mini Card Parties started last Thursday at 1:30 with a goodly crowd playing euchre and cribbage. The price is raised a bit but you may get a Wintario ticket as a prize. During the lunch time, tickets were won for high cribbage by Luther Wilson and euchre high was taken by Shirley Elcome and lone hands by Irene Houghton.

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner part of lot 3, West Side Lyons Street and part of Lyons Street, Town Plot of the Village of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1970, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on WEDNESDAY, October 27th, 1982 at 7:30 p.m., proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of street allowance more particularly described as follows:-

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Minden in the Provisional County of Haliburton and being composed of part of Lot 3, West Side Lyons Street and part of Lyons Street, Town Plot of the Village of Minden, designated as Part 2 on the plan of survey deposited in the Registry Office for the Registry Division of Haliburton as Number 19R-2614.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 22nd day of September, 1982.

(Mrs.) Elinor Burke, A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon & Minden
Box 98, Minden, Ontario K0M 2K0
Phone (705) 286-1260

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

Two ants were running like the wind across a cracker box. "Say, for Pete's sake," puffed one of them at last, "what are we running so fast for?"

"Can't you read?" asked the other ant. "It says right here, 'tear along the dotted line.'"

Wife: "Well, what happened when you asked your boss for a raise today?"

Husband: "Why, he was like a lamb."

Wife: "What did he say?"
Husband: "Baa".

Q: Why did the elephant sit on the marshmallow?

A: To keep from falling in the cocoa.

Bye for now. Take care. God bless till next time.

CARD OF THANKS

We wish to express sincere appreciation to our relatives, friends and neighbours for their many kind expressions of sympathy, shown during the recent loss of our wife and mother, Edith Coneybeare. A special thank you to Dr. Holliday-Rhodes, the ambulance attendants (Robbie, Richard and Dwight) the nurses of the Minden Red Cross and Lindsay Ross Memorial Hospitals, the Gordon A. Monk Funeral Home and Father George Elliott.
Bill, Alan & Gaye Coneybeare
